Color Key:

You may choose any method you wish for the appliqué – needle-turn, raw edge, fusible, hand stitched, machine stitched, etc.

The templates provided do NOT include a seam allowance, so be sure to add that if you need it. It will depend on what type of appliqué method you choose. If you receive this via email, after you print out the templates, be sure the line marked 2" does, in fact, measure 2". If it does not, you will need to adjust the sizing on your printer so that it does print the correct size. ~~I WILL HAVE COPIES OF THE TEMPLATES AVAILABLE AT THE JANUARY SSQG MEETING.~~

Cut out a background square 13 1/2" x 13 1/2". This will provide some extra fabric to allow you to square up after appliquéing.

Cut 1 Royal Blue circle.

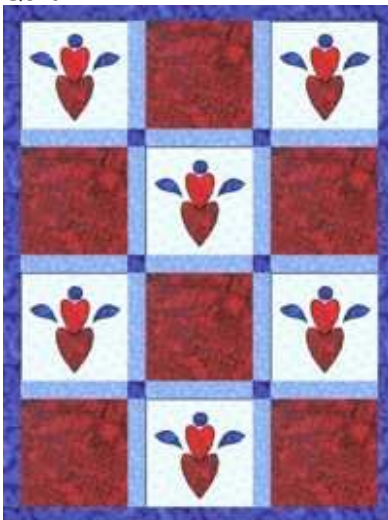

Cut 1 each of the Wings (Right and Left) from Royal Blue.

Cut 1 Small Heart from Medium Red.

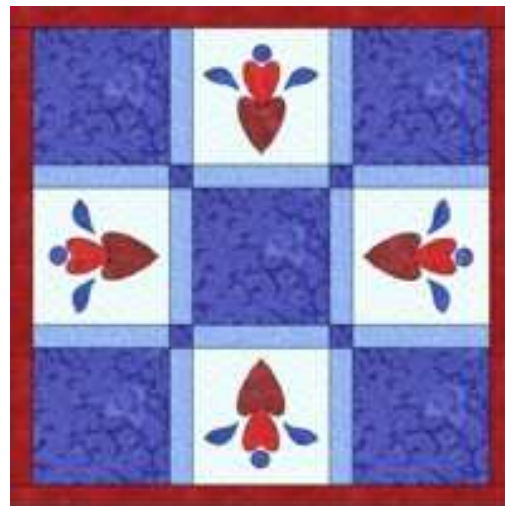

Cut 1 Large Heart from Dark Red.

Appliqué the pieces as shown in the picture. Cut the block to a square of 12 1/2" x 12 1/2", having the appliqué design centered.
